Jane Bromley, Clerk Ewhurst Parish Council;

- Apologies: None
- Minutes from meeting 1<sup>st</sup> August 2016: Action Points arising from this meeting: The action points were discussed. Both clubs were yet to collect their Notice Board keys from Richard Cleaves, and put up fixtures lists on the board.
- Pitch Maintenance & EYSC Hire contracts for 17-18 attached and pitch maintenance specification for discussion. The maintenance specification was to be looked at by both clubs and returned with any amendments required to the Clerk in time for the contractor to be made aware by the start of next season (1<sup>st</sup> September 2017). All contracts to be signed and returned by 1<sup>st</sup> September.
- Monitoring form from the Football Foundation. Both clubs had further entries to make for this and would co- ordinate this over the next couple of days. Clerk to submit the form by the end of this week.
- Development S106 funding for pitch drainage maintenance. The funding secured as a result of the Backward Point development for pitch improvements was £18987.50 and this would become available once the development was under way over the course of the next three years. Both Clubs would liaise as to the use of this funding.
- Other matters:
  - Iron work in recreation ground- Discussed and inspected the Senior Club to arrange for all iron work to be removed by the end of August.
  - Grounds tap near garage. The tap was to be relocated in the garage at the recreation ground to prevent anyone other than the football clubs using the tap.
  - Store room in EYSC. Inspected and all tidy.
- Date for next meeting. June 2018 unless anything arose in the meantime.
